Treca is the reference in the field of high quality and luxury bedding for over 75 years. Fully tufted, noble components, sophisticated finishing... Treca beds are produced with the greatest care to offer comfort that can be adapted to any motion for an individual body support and preferences for the best sleep quality.

Worldwide leader in delivering the exceptional sleep your body deserves. Simmons has developed from 1929 the most avant-garde technologies and produced the most innovative expertises. In 2016, Simmons becomes Beautyrest by Simmons.

The most famous brand, Dunlopillo is differentiated through a precursor spirit and an innovative culture brand offering the best comfort in alveolar technology. Dunlopillo has created the first latex mattress and the first polyether and polyurethane foams.

Hotelys collection has been created for small budgets hotels to get an accessible price offer designed by Hotelys know-how.
