AUSGEZEICHNET

Design ist eine treibende Kraft bei LEONARDO, und auch in dieser Hinsicht hat sich unser Streben nach Perfektion ausgezahlt. Wir sind stolz, mit zahlreichen renommierten Preisen ausgezeichnet zu sein, wiederholt etwa mit dem „red dot“, der zu den größten internationalen Design-Awards und weltweit anerkannten Qualitätssiegeln gehört. Aber nicht allein unsere Produkte, auch das LEONARDO Markengebäude am Firmensitz in Bad Driburg, der „glass cube“, wurde mehrfach prämiert. Mit seiner zukunftsweisenden kubischen und organischen Architektur vermittelt er die Welt und die Persönlichkeit der Marke – und unsere Werte: Inspiration, Emotion und Qualität. LEONARDO in Bestform.

AWARDED

Design is the driving force of LEONARDO and even in this regard the striving for perfection has paid off. We are proud to be honoured with numerous renowned awards, repeatedly with the 'red dot' – one of the major international design awards and worldwide recognised quality seals. However, not only our products also the LEONARDO brand building in Bad Driburg (head office) – the 'glass cube' is awarded numerously. With its forward – looking cubic and organic architecture the 'glass cube' mediates the world and personality of the brand – and our values: inspiration, emotion and quality. LEONARDO in best form.
